Hundreds Attend Dedication of Two Daly City Parks

With over a thousand cheering Daly City people crowding the new green bowl in the Vista Grande tract, Sunday, the park was dedicated to J. W. Marchbank, local philanthropist who gave the park to Daly City.

It will henceforth be known as Marchbank park.

The dedication ceremony culminated a program which included a parade, speeches, recognition of "pioneers," and a short dedication of the playground at Acton and Brunswick. The playground will be called "Lincoln playground." The dedication there was handled by Councilman Edmund Cavagnaro.

Over four hundred "pioneers," residents of Daly City for more than 25 years, were recognized during the ceremonies. The "old-timers" were honored as a part of the thirtieth anniversary of the incorporation of Daly City.

In the baseball game which followed the ceremonies the Daly City All Stars were edged out by the crack semi-pro outfit, the Owl Drug nine. The score was 7-5. Responsible for getting the local team together and arranging a fine game was Edmund Cavagnaro and the Jefferson High school coach, Albert Biggs.

Present were many local and county officials, including Frederick Peterson, San Mateo county manager.

Major highlight of the program came with the dedication of the park. Henry Sundermann, councilman, and chairman of the day, said as he named the park:

"We have decided to call this 'Marchbank Park'. Too often the honors due a man, are not prepared or bestowed until after he is dead. John Marchbank, we are happy to say, is still very much alive and, a vital factor in this our community. The story of his benefaction in this community, will never be fully told. If he ever

Lions Club Elects Officers At Meeting

Dale Hovey, well-known Daly City photographer, was elected president of the Lions club at a meeting of the businessmen's organization, last Wednesday. He replaces Andrew Vireno, who has filled the post since the inception of the club several months ago.

Hovey, along with the other new officers, will be installed at the first meeting in July.

Other men elected to office are J. J. Fahey sr., first vice-president; Elton McGraw, second vice-president; John Newton, third vice-president; R. L. Crane jr., secretary; John Ferrari, treasurer; Joe Firpo, lion tamer; A. M. Harrison, tail twister; Dr. William J. Lantheaume, Dr. Ivan T. Budaeff, Bert Meritt, William J. Sweeney, board of directors.

At this meeting it was decided that the organization should meet every Wednesday at noon, except for the last Wednesday of each month, which will be devoted to special entertainment and will be held at night.

Council Authorizes Naming of Parks

In a short meeting, Monday evening, the city council of Daly City passed a resolution to authorize the recent naming of two Daly City parks.

The park in the Vista Grande tract, formerly called Vista Grande park, was authorized to be named Marchbank park. The playground at Acton and Brunswick streets, formerly called Acton park, has now as its legal name, Lincoln park.

The council received a communication from Mrs. James Nagle, in which she gave the city an American flag—a much-travelled one. It has been all over the world with an army unit, according to Mrs. Nagle.

The council heard reports from the health department, and a report of gasoline and oil expenditures of the various departments.

Jefferson Union High School Takes First Place In National Commercial Typing Contest For Third Consecutive Year

Everybody loves a winner! And when it comes to typing, Jefferson Union high school has had more than a generous share of prize-winners in the past few years.

Competing with high school students from throughout the entire United States in the California National Commercial contest, Claudia Bertini, 16, won first place honors in typewriting this year. She took the accuracy title for writing for a period of 15 minutes with **no errors** at the rate of fifty words a minute, in the unlimited class. She not only has the distinction of writing the highest rate with no errors, but she turned in the only paper winning an award in the competition with no error.

Miss Bertini's achievement brings a handsome trophy to Jefferson, and she received a medal.

This is the third consecutive year in which Jefferson has had a first place winner in the typing contest. Evelyn Ciemoli, who was graduated last year, took first place for speed in both previous annual contests. Both national winners were trained by Miss A. Dorothy Smith.

Jean Hanselman placed fifth in accuracy writing in the national contest this year, while the following won certificates for their

Classes

DRAMATICS

A dream come true—that's what the class in dramatics is saying. All last week members of the group were working on recordings. The different members put on plays and monologues before the recording machine, and later played their records so they could hear how they sounded to their audience. Results were amazing.

ELECTION

Everyone can breathe a sigh of relief. Election has come and gone. Results of the balloting were as follows: James Parker, president; Roy DeVincenzi, vice-president; Eugenia Rich, secretary; Grace Lopresti, treasurer; Tillie Castro, yell leader; Art McCrystle, judge.

At the opening of the new semester, the executive board will appoint a sergeant-at-arms.

GRADUATION

Well, seniors, it's goodbye to the old school house for good. Tonight you will walk across the stage to receive a slip of paper that will show you are ready for bigger and better things. Good luck!

SENIOR EDITION

Today the staff of the senior edition will pass out their masterpieces. Everyone is anxiously looking forward to seeing what they look like.

A bouquet goes to Clive M. Saiz, journalism instructor, and his class staff for their fine work. Orchids also go to Miss Marjorie Robinson and her mimeographing department.

Campus Fashions

Summer is really here, and it's time to invest in a new wardrobe. No summer is complete without the few essentials—slacks, shorts and bathing suits.

Hot off Fifth avenue comes the latest modes for summer. Shorts have become longer, knitted swim suits have come back, and slacks are for beauty as well as comfort.

Favorite with campus queens are halter shorts of forest green linen. A long sleeved shirt of red and white striped chambray is a final touch. To make it suitable for street wear fashion experts have fashioned a slim line skirt to match and a darling curl catcher of the same material.

Another dandy for summer is a playsuit of light blue shorts—copied from farmer boys' overalls—and a bright red shirt. This outfit is both attractive and sensible.

News in bathing suits revolves around two points, this season, comfort and high style. The edict for silhouette is reed slim line with skirts and bodice softer and more supple.

Darlings in anyone's language are the new-tropical swim suits. They are fashioned in brief easy swim styles with a grass skirt for out-of-the-water-wear. These chic numbers come in all bright native colors.

This week's campus miss deserves several bouquets. She was chairman of the Senior ball, and her work was splendid.

When I ran into our Queen, she was buried beneath a pile of different color leis. She wiggled out long enough to tell me her aims and ambitions.

Upon her graduation this evening she hopes to enter the business world. She has blue eyes, dark hair, and rosy cheeks. Her outfit was beige and purple and she is secretary of a girls' organization called the "Pow-wow."

Of course, you know to whom I am referring—she is that little dynamic person, Alice Bistolfi. Two orchids to you, Alice.

Music

For their final appearance of the semester, the members of the high school chorus and orchestra will present the musical part of the high school graduation program this evening.

The chorus will sing the two popular pieces, "Ave Marie," by Schubert, and "Commit Thy Ways," by Bach. Louise Baciocco will be the soloist featured. Norman Wiseman will be accompanist for the evening.

As the graduates leave the stage in their recessional march, the school orchestra will play "March Militaire" by Schubert.

BAND

Through a series of pay assemblies put on jointly by the entertainment committee and music department, funds are to be raised to buy caps and capes for the band. They hope to have them by next year.

Jaysee Commencement Set For June 20

With commencement set for Friday morning, June 20, San Mateo junior college will present diplomas to January and June graduates at the Woodland open-air theater in Hillsborough at 10:30 a. m. President Frank Thomas of Fresno State college will deliver the address. The public is invited.

Just before the exercises, the graduates and faculty members will hold a sophomore breakfast in San Mateo. In the evening the college students will attend the Soph formal at the Yacht club in San Francisco.

Woodrow P. T. A. To Give Whist Party

Tomorrow evening members of the Woodrow Wilson P. T. A. will play hostess to the public at a whist party. The game will start at 8:30 p. m. at Linhares hall, 176 Los Banos avenue.

Mrs. Martha Linden will be in charge of the card playing. Price of score cards is nominal.

According to the committee many lovely prizes have been procured. These card parties are to be a regular summer event, according to the group.

FEATURE EVELYN CHANDLER IN SOUTHERN NUMBER OF SPECTACULAR 1941 ICE FOLLIES

A bit of the old South during the colorful Aunt Bella period of plaid skirts, lace pantalets, beaver hats and frock coats, makes "Old Southland" one of the most colorful and interesting episodes of the new Ice Follies of 1941, now showing nightly at Winterland, in San Francisco.

Again beauty, comedy and thrills, the three basic reasons for Ice Follies popularity, are combined in this production number. It features Evelyn Chandler, America's Queen of the ice, as Belle of the South, and the famous comedy team of Shipstad and Johnson characterized as the Colonel and his Lady.

It opens with a charming routine of 16 southern misses and gentlemen, a routine that was said by one Hollywood critic, to be the "finest ever seen on ice, a stage or dance floor anywhere."

The inimitable Evelyn Chandler has developed a new routine that tops all others in her long figure skating career. Including all the dash and verve of her previous appearances, Miss Chandler has added thrilling new tricks and skillful figure skating in a novel manner.

Shipstad and Johnson again the old-timers, characters that have brought them lasting fame in America's show world, make

a unique and pompous entrance to lead up to the type of number by which they have set the high standard for all figure skating comedy.

ALL STARS
LOSE
Hold Crack S. F.
Team to 7-5

In a close, hard-fought game, not decided until the ninth inning, the Owl Drug team defeated the Daly City All Stars 7-5 Sunday after the park dedication ceremonies at Marchbank park.

Considering that the Daly City team was organized particularly for this game and had never played as a unit before, they gave the Owl Drug nine a tough battle.

The latter is considered one of the top semi-pro teams in San Francisco. Sharing pitching duties for the locals were Ragghianti and Petrocchi. Walsh was the heavy hitter for the All Stars, getting two for three. One of his hits was a triple.

The Owls started off with a bang, scoring three runs in the first inning. This outburst, including three hits, was their biggest of the afternoon.

Pushing over two runs in the third and two more in the fourth the local boys took the lead 4-3. The Owls came back with two in the fifth, and the game was tied at five all at the end of the seventh. One marker in each of the last two innings cinched the game for the visitors. They made nine hits, while the locals made seven.

Included in the local lineup as subs were Sam Hawley and Harry Maloney.

After the game members of both teams expressed great satisfaction with the condition of the playing field and extended congratulations to City Engineer Robert A. Klassen, who has supervised the work on the diamond.

Perpetual Nine
Defeats Epiphany

In a practice game played, last Thursday, at Marchbank park, the Perpetual Help grammar school nine defeated the Epiphany team 6-2.

Only one hit was made during the entire game, and that by the losers. Perpetual Help scored their runs via the walk and error route. Joey Byrne, second baseman, was walked three times and crossed the plate with three runs.

DeMetris pitched a good game for the winners. The game was under the direction of the Daly City WPA recreation department.

Success Story
For Parish School

The youngsters who attend Our Lady of Perpetual Help school seem to be baseball stars, just naturally.

Proof of this has been the past season, in which the two Perpetual Help teams, the grammar school and the CYO nines, each were practically unbeatable in their respective leagues.

The CYO team won eight out of nine starts, while the grammar school boys finished with nine out of ten victories.

Members of the CYO team are Louis Valletta, Bob Day, Bob Rode, Billy Nassano, George Perada, George Valente, Charles Christian, Jack Musante, Ed Denning, and John Savage. HELP THE U. S. O.!

The U. S. O. is out this week to make the U. S. A. a happier place to live in for the 1,200,000 young men in the nation's armed forces.

U. S. O. is the abbreviation of the United Service Organizations, representing all denominations, who are now embarked on a fund-raising campaign throughout the country to provide wholesome recreation facilities outside army camps and cantonments. The Federal government is going part way on the job and providing the money for the buildings. It's now the work of the United Service Organizations to raise the few millions needed to put the recreation and entertainment facilities into the buildings. And that's where you and I and everyone else can do our bit with a contribution, large or small, for Uncle Sam's Army.

Obviously, this has nothing to do with convoys, Dakar or any other issue of foreign policy. Whatever your views on these matters, you can help the U. S. O. do a good and worthy deed for the defenders of the U. S. A.

Daly City Student Wins Honors At Creighton

Scientific honors have come one after another to Berthold Steuhler, Daly City boy and graduate of Jefferson Union high school.

He has just returned from his first year at Creighton University School of Medicine, where he has been invited to become a member of the Nebraska Academy of Sciences. He also has been asked to become a member of Gamma Phi Sigma, a national honorary medical society in bio-chemistry. Membership depends upon high scholarship and recommendation by professors.

To be asked into these two organizations after but a year of medical school is considered a brilliant achievement, presaging an undoubtedly distinguished future in medicine.

Steuhler is now 27. He graduated from Jefferson Union high school when he was 16. Long years of study and saving money were necessary before he was in a position to enter Creighton medical school, considered one of the finest of such institutions in the country.

His special interest is in experimental and surgical neurology; and he is ambitious to work professionally in this field.

Steuhler's hobby is collecting books, especially those of historical interest in the scientific field, and particularly in medicine. In his collection of rare books are included the third edition of Newton's "Principia," and a first edition of Byron's "Childe Harold." It is Steuhler's belief that a medical man should be as broadly cultured as possible, outside, as well as within, his own subject.

He is staying during the summer vacation with his mother, Mrs. Frances Steuhler, at 136 Peoria street.

South San Francisco; and Charles Camenzind, Colma.

The next draft call is scheduled for June 25. It will take seven men.

The local draft board has sent out 2905 questionnaires and has 400 to go, according to Mrs. Isabelle Flynn, clerk in charge of sending out the blanks.

The demand for questionnaire blanks has been so great recently that not only the local board but also the state and national draft offices have temporarily run out of blanks. The deficiency will soon be made up, however, according to Mrs. Flynn.

New advisory board members, with whom draftees can discuss their questionnaire problems, are R. J. Dolwig, Bank building, South San Francisco; William P. Muzio, 211 Linden avenue, South San Francisco; James C. Healey, 318 Grand avenue, South San Francisco; and R. A. Rapsey, 616 San Mateo avenue, San Bruno.

Sundermann Thanks Helpers

Henry Sundermann, councilman, and chairman of the day for the park dedication ceremonies, Sunday, announced yesterday that he wishes to extend sincere thanks to everyone who took part in the program, and made it the success it was.

"I wish especially to express my gratitude to members of my committee, who really worked hard to make a ceremony worth seeing and worth remembering," said Sundermann. He also thanked each of the organizations in the parade, and the members of the baseball teams who played at the conclusion of the program.

Park Dedication

(Continued from Page 1)

becomes famous, for anything, it will be for his charity to his fellowmen.

"Since 1905 John Marchbank has been a loving and respected neighbor in our city. From the earliest days he has assisted in its development. He personally established the 'Clinic' as a service to the people. He has systematically assisted our churches. He built the theater and the bank and established his home here. During the depression, he helped hundreds of our less fortunate families and, no one was too poor, or too unimportant in his eyes to merit assistance. Race or creed, or political faith made no difference. He helped everyone, even his enemies, for even great men have some enemies.

"We have accepted his favors and experienced his kindness without the least bit of public recognition of his presence in our midst. Daly City would be ungrateful indeed, if, at some time in the lifetime of this, our adopted son, we did not publicly recognize his contributions to our welfare.

"And so we now discharge this duty. We proclaim to all the world and recognize the presence within our midst of one great loyal friend. May he live long and be long remembered. Ladies and gentlemen, I now dedicate for you and in the name of this City, this public park henceforth to be known as 'Marchbank Park'."

OPEN DOOR

On July 1 Daly City voters will go to the polls to decide whether the bonds which will make possible the modernization of the Daly City fire department shall be issued.

The Record has received a number of letters on the issue from local residents, both for and against the issue. Since The Record feels, regardless of its editorial stand, that BOTH sides of every issue should be heard, letters both pro and con on the bond election will be published next week.

The sisters, Lillian and June Prescott, are planning to take their nuptial vows, June 14 and June 28, respectively. The ceremonies will be held at Ocean Avenue Presbyterian church, San Francisco.

The tables were cleverly decorated with little twin sets of dolls, dressed as the bridal party. Each bride-to-be was honored with a huge wedding cake.

Place cards were tiny umbrellas in pastel shades. The stage was decorated with wedding bells and white ribbon, under which many lovely and useful gifts were placed.

Before refreshments were served, the guests enjoyed whist. Toward the end of the evening the girls opened their many shower gifts.

Over fifty guests were present to wish them happiness.

Girl Scout Committee Announces Camp Plans

Summer camp for Daly City girl scouts, June 22 to 29, became a nearer reality to more than fifty girls as they prepared to take their physical examinations, next week. Dr. Ivan T. Budaeff and Dr. W. C. Lynch will cooperate in the examination program, June 18 and 19. Girls are advised to call for their examinations on the date and at the office designated on their slips.

Friday evening, the scout committee members heard Miss Nora Northberg from regional headquarters in San Francisco. She complimented the local group on their work.

Miss Minnie Klotz, Hillcrest drive, will be the senior life guard during the outing at Camp Shadowbrook. It was announced this week that girls would be expected to defray only the actual cost of materials in the camp crafts program.

To further insure a variety of interests at camp, Mrs. Jean O'Rourke, Daly City librarian, will send a box of books for the girls to read during the camp period.

More than 75 girl scouts participated in both the Memorial and Park Dedication Day parades. During the summer months, all local troops and the girl scout committee will suspend regular meetings.

Come on! Drive a Car with "Second Wind"!

YOU say a racehorse has "heart" when he can turn on the drive coming into the stretch and bring the crowd to its feet with an all-out finish.

Okeh—come try a car that can turn on extra wallop like water from a tap—and see what you would say about Compound Carburetion!†

For this stunning Buick straight-eight swings you along sweetly on only half-carburetion as long as you're taking it easy in everyday sort of travel.

But step down on the gas treadle—and things happen.

A second carburetor opens up. Air supply as well as gas supply is in-

creased. Power rises instant. You get your "stretch drive" any time you give the word.

But—this isn't only for thrill.

This engine's *actually more efficient* because it has this "second wind."

It gives you a car that has the life and lift you like—and still delivers (on owners' say-so) as much as 10% to 15% more miles per gallon than previous Buicks did.

That would be important any time; it's all the more important now—at the low delivered prices your Buick dealer is asking.

†Available on Buick SPECIAL models at slight extra cost, standard on all other Series.

Fiesta To Feature Hobby Section

Have you a Hobby you would like to have on display at the 1941 San Mateo County Fiesta?

Plans for a much larger Hobby Show than in the past, with a greater diversity of exhibits, was announced today by the board of directors of the San Mateo County Fiesta.

A Hobby Show was held as a part of the Fiesta for the first time last year and entries were exhibited from all sections of the county. Many more hobbyists than could be accommodated wished to exhibit and the display attracted so much attention that the directors decided to reserve a greater area for the hobby section.

The Hobby Show will again be under the direction of E. Hevey of Burlingame, and groups and individuals interested in exhibiting their hobbies are cordially invited to communicate with Hevey in care of the fiesta office at this time so that space may be reserved for exhibits. The fiesta office is located at 72 Third avenue, San Mateo.

Pershing PTA Plans Parties

Mrs. Mildred Rasor, president of General Pershing P. T. A., presided over her first business meeting of the new term, last Tuesday afternoon. During the course of the meeting, plans were made for the annual trip to Fleishhacker's. The mothers and their children will pack their lunches and meet at the Fleishhacker playground at 10 a. m., June 18. Games will be provided for the children, and prizes awarded the winners. Mrs. Rasor will be in charge of entertainment.

Students of General Pershing are anxiously looking forward to Friday. Each semester the members of General Pershing P. T. A. hold a party for all the students of the school. Cookies and ice cream are served. Mrs. Ruth Canier will be the chairlady in charge. The executive board will assist her and any other lady in the unit, who would like to donate her services, will be welcomed.

The semi-annual theatre party, held for the graduating class, is scheduled for Saturday afternoon. Mrs. Pansy Montano and Mrs. Canier have been appointed co-chairmen of the day. All mothers, with children in the graduating class, have been invited to attend.

"The children are to gather in front of the Daly City theatre at 1 p. m.," stated the ladies.

At the end of the business session R. L. Crane jr., superintendent of schools, showed the ladies moving pictures of students in the home economics classes.

The program, put on by Mrs. Alice Bryan's graduating class was a huge success according to the ladies. Each student carried a doll from a different nation, and sang songs from the different countries. Mrs. Clara Mitchell, instructor at the Daly City WPA Recreation department, instructed the students in the doll making. Each boy and girl made their own dolls, including their faces and clothes.

A food sale has been scheduled by the ladies for tomorrow morning at 10 a. m. at Milo's market.

Mrs. Anne Eason and Mrs. Maisie Boyle, assisted by Mrs. Sadie Welsh, will be in charge of the sale. Proceeds are to go toward sending two deserving children from the local school to camp this summer. The ladies cordially invite the public to visit their sale. "The food is bound to be good, as it will be home-made," they said.

Mrs. Rasor and Mrs. Canier, program chairman, attended a program conference held at Burlingame high school, Monday afternoon.

Firemen Report

Annual Dance Success

Edward Goldkuhl jr., secretary of the Widows' and Orphans' association of the Daly City fire department, made an announcement, last week, thanking the general public for its support of the Old Timers' Dance, held, May 10, at Colombo hall, Colma.

The dance was a great success, and, according to Goldkuhl, he speaks for the fire department when he states that the generous response of the public "made this worthy undertaking a real success."

The dance was to raise funds for the Widows' and Orphans' association.

Hi Ho! Away To Camp They Go!

A miniature Boys' Town! Members of Boy Scout Troop No. 101 will pack up their sleeping bags and camping equipment, July 25, and travel to Clear Lake for a ten-day vacation.

The boys will elect their own mayor, chief of police and govern themselves for ten days. They will be divided into patrols to help with the work and each boy will be responsible for some duty.

Scoutmaster Frank Coughlin and Charles Gleisner will accompany the boys on their camping expedition.

Hiking, swimming, boating, horseback riding, just everything to make a young boy's heart beat faster, will be in store for them. The troop will furnish the transportation.

In order to attend, the boys must earn one hundred merit points. Points are given for meeting attendance, passing tests, getting camping equipment in order, and all other scouting activities.

The boys' annual whist party, held Friday, May 23, was a huge success according to all reports from the troop and cubs. These whist parties are held once a year for the benefit of the troop and cubs.

The cubs, with their share of the money, purchased a dozen bugles. They hope to surprise Daly City with a bugle corps. Bob Coughlin will be their senior bugler.

Veterans Endorse Fire Dept. Bonds

The Daly City Veteran Firemen's association endorsed the fire department improvement bonds at their regular meeting, Friday evening, at 188 Santa Barbara avenue.

Roll was called and absentees noted. Some of the members, absent for several meetings, were present. Everyone was glad to see them back.

Past President P. Valenti and Chef J. Hesslein prepared a spaghetti dinner, which was enjoyed by all.

All convalescing comrades were wished a speedy recovery. Stories were told by Past President and Chaplain H. W. A. Rickmann and J. F. Fields about their trips over the weekend.

Comrade Past President G. Schenk reported on the parade on Memorial day. Past president, Comrade Goldkuhl sr. was the lucky member, Friday evening.

Local V. F. W. Members Attend District Meet

Old Glory Auxiliary and Old Glory Post, No. 2044, V. F. W., were represented at the eighth district meeting held in San Mateo, Sunday. At the open session, held in the morning at the San Mateo city hall, numerous city and county officials were present, as well as Department Commander Gustafson, Department Senior Vice-Commander Taggart, Comrade Herman, Department Chief A. P. Mehaney, and the commander of the twenty-sixth district, American Legion.

After a ham dinner served by the San Mateo auxiliary, the district auxiliary and post held separate business sessions. At the auxiliary meeting it was decided to present a flag to the San Bruno playground, Flag Day, June 14.

Speaker of the day was Comrade F. Warren Carlin, who was National Commander-in-Chief in 1911. His talk, centered about national defense problems, stressed the need for unity. Members described his address as particularly impressive and worthwhile.

Local post and auxiliary members present at the district sessions, Sunday, were Commander P. Sunseri and President M. A. Sunseri, Mr. and Mrs. K. V. Doolin, Mr. and Mrs. Walter Lehigh, Mr. and Mrs. R. Brulez, Howard McHugh, Mr. and Mrs. Walsh, Mrs. R. Ellingwood, Mr. and Mrs. M. V. Jensen.

Hillcrest Druids To Attend Convention

When the grand session for California Druidic circles opens at Bakersfield, Sunday evening, Daly City's Hillcrest Circle No. 143, will play an unusually prominent part as Mrs. Madeleine Fellows, past arch druidess of the local circle, will be presiding as grand arch druidess of the State of California. The state convention will conclude her year as highest officer in the grand circle.

Mrs. Minnie Lino, who has been deputy for Hillcrest circle during the past year, will be installed as grand arch druidess for the coming year.

Delegates from Hillcrest will include Mrs. Victorine Lombard, mother of Mrs. Fellows; Mrs. Grace Hill, Mrs. Martha Wegner, Mrs. Laura Pescaro, and Mrs. Marie Riley. The state session will conclude with the grand ball, Thursday evening, June 19.

A tragic note will pervade the convention due to the recent sudden deaths of grand and past grand officers. Hillcrest members reported that the loss is deeply felt here as the women killed have been closely associated with Hillcrest circle through the years.

On Monday evening, May 23, Hillcrest circle will hold its regular monthly whist at Masonic hall. Playing will begin at 8:30 p. m. and the public is cordially invited. In charge will be Mrs. Eleanor Wilson, first bard and her two supporters, Mrs. Ruth Falardeau and Mrs. Anna Schmidt.

Several members of the Native Daughters of the Golden West, who live in Daly City, were reported today preparing to attend the fifty-fifth annual session of the Grand Parlor of the organization, to be held in Los Angeles, June 15 to 21. They are Mrs. Dorothy Donofrio, Mrs. Alice Oldham and Mrs. Hattie Kelly, all members of El Carmelo Parlor No. 181.

Mrs. Kanter, one of Daly City's pioneers, was appointed delegate to the state convention of the Women's auxiliary of the Disabled American War Veterans of San Francisco. Rosalyn's Patriots Have Busy Schedule

Rosalyn's Patriots have had a busy schedule for the past two weeks. The drum corps marched in both the Memorial Day and Park dedication parades.

Twirling their batons in front of the Daly City Band were Darlene Roggentine and Eleanor Williams. Dorothy Roggentine led the squad from the Fraternal Order of Eagles and little Dorothy Langensand and Carol Benedetti led the drum corps.

After the dedication parade, Sunday, the entire drum corps climbed aboard private cars and travelled to Edge Water beach. While there the children put on an exhibition for the Swiss picnic. Miss Rose led the Swiss band and drum corps in a parade around the grounds.
